Masses etc.

Last week we announced that the 12 noon mass in Newtownpark will be cancelled for July and Aug. If you remember, last year we looked at masses in our Partnership and we looked for people's feedback/concerns. To be honest there wasn't a huge response.

The Partnership Committee looked at masses in general and we looked at where duplication might arise. Fr Paul's arrival was great and we felt that we'd leave Masses as they were for the time being. We also tried to count numbers at most masses to look for trends.

In Foxrock there are 3 weekend masses: Vigil and 2 on Sunday morning. The split day makes it easier, especially if there are Baptisms. The vigil has the least number of regulars.

In Newtownpark the 3 Morning masses have dropped slightly, with the 12 Noon mass being the least attended. The PPC looked at it too. Frs Bill and Tony are a wonderful support but it's not fair to expect them to take responsibility for mass every Sunday. They're a great back up!

In Monkstown Parish, Fr Kevin has retired as Parish Priest and will be a Parish Chaplain in Wicklow. But there's no priest assigned yet: this is a sign of things to come.

The 12 Noon Mass is off for July and Aug, but we'll have to make some decisions in Sept about Masses and include the Partnership. Don't wait until it hits your local church. Let me know what your thoughts and ideas are.
